Dear Dato'/Prof./Dr /Sir/Madam/Br./Sr.,

INFO 3501: PROJECT MANAGEMENT in IT
- CLASS PROJECT FOR SEMESTER 2, 2019/2020
KULLIYAH OF INFORMATION COMMUNICATION AND TECHNOLOGY, IIUM

This is to inform that KICT students from the course mentioned above are required to do a project as part of their course assessment for this semester.

It is a group based project and they are required to do a “**Webpage Development Project**”.

Each team will consists of 2-3 students. They shall approach any IIUM clubs under STADD. Only 1 club for 1 student group. If the club president or representative agree to be their client, please extend them the full support possible by providing them the relevant information to publish in the website. At the end of the project, the club will have a complete webpage hosted in the relevant hosting sites. This website will be maintained by the club afterwards. The selected club president/representative will also participate in the project assessment. Further details will be shared once the project has started.

If you have any enquiries regarding this project, please feel free to contact the course lecturer as details below:-
